

Accelerator Building | Facility Management Wauwatosa, Wisconsin

Retained to assist with the final construction details and integrate the research facility with UW-Milwaukee campus standards.

Upon building completion, provided facility management oversight and coordination with the tenants and main campus. This building is a first of its kind research facility that is home to:

- UW-Milwaukee Researchers
- Concordia University Wisconsin School of Pharmacy
- Brook Stevens, Inc.
- Aurora Research Lab
- UWM Real Estate Foundation

Helped tenants with buildout needs and occupancy requirements. Ensured all work and warranty items were completed per the terms of the contract.

This building achieved LEED Silver certification.
